Editorial

285 Basal infusion versus intermittent boluses for perineural catheters: should we take the 'continuous' out of 'continuous peripheral nerve blocks'?
B M Ilfeld, R A Gabriel

Regional Anesthesia and Pain Medicine

287 Acute postoperative pain is an independent predictor of chronic postsurgical pain following total knee arthroplasty at 6 months: a prospective cohort study
A Buvanendran, C J Della Valle, J S Kroin, M Shah, M Moric, K J Tuman, R J McCarthy

298 Face and construct validity of TU-Delft epidural simulator and the value of real-time visualization
N Zivkovic, G van Samkar, H Hermanns, P Lirk, M W Hollmann, J J van den Dobbelaars, D J van Gerwen, M F Stevens

303 Perioperative impact of sleep apnea in a high-volume specialty practice with a strong focus on regional anesthesia: a database analysis
L Pichler, S M Weinstein, C Czoszowicz, J Poeran, J Liu, L A Poultides, J N Saleh, S G Memsoudis

310 Ultrasound-guided percutaneous peripheral nerve stimulation: neuromodulation of the suprascapular nerve and brachial plexus for postoperative analgesia following ambulatory rotator cuff repair. A proof-of-concept study
B M Ilfeld, J J Finneran, R A Gabriel, E T Said, P L Nguyen, W B Abramson, B Khatibi, J F Sztain, M W Swisher, P Jaeger, D C Covey, M J Meunier, E R Hentzen, C M Robertson

319 Comparison of dexmedetomidine and benzodiazepine for intraoperative sedation in elderly patients: a randomized clinical trial
J M Silva-Jr, H T Katayama, F A M Nogueira, T B Moura, T L Alves, B W de Oliveira

326 Effects of programmed intermittent thoracic paravertebral bolus of levobupivacaine on the spread of sensory block: a randomized, controlled, double-blind study
K Hida, H Murata, T Ichinomiya, H Inoue, S Sato, T Hara

333 Systemic dexmedetomidine is not as efficient as perineural dexmedetomidine in prolonging an ulnar nerve block
J H Andersen, P Jaeger, U Grevstad, S Estrup, A Geisler, F Vilhelmsen, J B Dahl, G H Laier, B M Ilfeld, O Mathiesen

342 Implications of uninterrupted preoperative transdermal buprenorphine use on postoperative pain management
Y N Martin, A C S Pearson, J R Tranchida, T N Weingarten, P J Schulte, J Sprung

348 Randomized controlled trial of a simplified adductor canal block performed for analgesia following total knee arthroplasty
J D Swenson, J E Pollard, C L Peters, M B Anderson, N L Pace

355 Can an inflammatory reaction in the meninges, caused by spinal puncture through tattooed skin, evolve into adhesive arachnoiditis? An experimental model in rabbits
R A da Silva, I L Ferraz, R S Zuza, C Camara, M A Marques, V M d V Machado, L H C Navarro, G A M de Barros, E M Ganem

360 Intravenous meloxicam for the treatment of moderate to severe acute pain: a pooled analysis of safety and opioid-reducing effects
E R Viscusi, T J Gan, S Bergese, N Singla, R J Mack, S W McCallum, W Du, S Hobson

Regional Anesthesia and Acute Pain

370 Clinical effectiveness of single dose of intravenous dexamethasone on the duration of ropivacaine axillary brachial plexus block: the randomized placebo-controlled ADEXA trial
J-C Clement, G Besch, M Puyraveau, T Grelet, D Ferreira, L Vettoretti, S Pili-Floury, E Samain, F Berthier

Chronic and Interventional Pain

- 376** CRPS: what's in a name? Taxonomy, epidemiology, neurologic, immune and autoimmune considerations

M d'A Stanton-Hicks

- 389** Randomized prospective trial of cooled versus traditional radiofrequency ablation of the medial branch nerves for the treatment of lumbar facet joint pain

Z L McCormick, H Choi, R Reddy, R H Syed, M Bhave, M C Kendall, D Khan, G Nagpal, M Teramoto, D R Walega

- 398** Retrospective cohort study of healthcare utilization and opioid use following radiofrequency ablation for chronic axial spine pain in Ontario, Canada

E Loh, J N Reid, F Alibrahim, B Welk

- 407** Spinal cord stimulator education during pain fellowship: unmet training needs and factors that impact future practice

D J Pak, J Gruber, T Deer, D Provenzano, A Gulati, Y Xu, V Tangel, N Mehta

Letters to the Editor

- 415** Motor-sparing regional analgesia for hip-derived pain

N D Nielsen, T F Bendtsen

- 415** Reply to Dr Nielsen: Pericapsular Nerve Group (PENG) block for hip fracture

P W H Peng, A Perlas, K J Chin

- 416** Concerns regarding 'Interventional spine and pain procedures in patients on antiplatelet and anticoagulant medications (second edition)'

M B Furman, J Bernstein, Z L McCormick, B J Schneider

- 417** Reply to Dr. Furman *et al*/ The risk of hematoma with transforaminal epidural injections

S Narouze, H Benzon, D A Provenzano

- 418** Perineural versus systemic dexamethasone: lost in translation

F W Abdallah, J Mejia, S Bansal, R Brull

- 419** Blinded by certainties

P Marty, O Rontes, C Chassery, B Bataille, F Ferre, A Delbos

- 420** Should spinal cord stimulation be abandoned in smoking patients with chronic pain?

N N Knezevic, K D Candido

- 421** Where does the balance lie between doing what's right for our patients and patients' rights? Spinal cord stimulation in chronic pain smokers

N Mekhail

- 422** Erector spinae block: transverse superior to paramedian sagittal?

A Philip, V Kaushik

- 422** Transverse approach to the erector spinae block

J Hruschka, C D Arndt

- 423** Novel technique of ultrasound-guided selective mandibular nerve block with a lateral pterygoid plate approach

B Chanpong, R Tang, H Vaghadia, A Sawka

- 423** PENG block: points to ponder

T Mistry, K B Sonawane, E Kuppusamy
