Regional anesthesia and acute pain

- 699** Opioid tapering after surgery and its association with patient-reported outcomes and behavioral changes: a mixed-methods analysis
B S Brooke, K Bayless, Z Anderson, T A Holeman, C Zhang, J Hales, M J Buys

- 708** Efficacy of the intertransverse process block: single or multiple injection? A randomized, non-inferiority, blinded, cross-over trial in healthy volunteers
M V Nielsen, K Tanggaard, S Bojesen, A d I F Birkebak, A S Therkelsen, H Sørensen, C Klementsens, C Hansen, M Vazin, T D Poulsen, J Børglum

Special article

- 716** Multiorganizational consensus to define guiding principles for perioperative pain management in patients with chronic pain, preoperative opioid tolerance, or substance use disorder
D M Dickerson, E R Mariano, J W Szokol, M Harned, R M Clark, J T Mueller, A M Shilling, M A Udoji, S B Mukkamala, L Doan, K E K Wyatt, J M Schwalb, N M Elkassabany, J D Eloy, S L Beck, L Wiechmann, F Chiao, S G Halle, D G Krishnan, J D Cramer, W Ali Saker Esa, I O Muse, J Baratta, R Rosenquist, P Guler, S Shah, L Kohan, J Robles, E S Schwenk, B F S Allen, S Yang, J G Hadeed, G Schwartz, M J Englesbe, M Sprintz, K L Urish, A Walton, L Keith, A Buvanendran

Infographic

- 725** Multiorganizational consensus on principles for perioperative pain management for patients with chronic pain, opioid tolerance, and substance use disorder: an infographic
D M Dickerson, E R Mariano, E S Schwenk

Review

- 726** Association between perioperative neuraxial local anesthetic neurotoxicity and arachnoiditis: a narrative review of published reports
C T A Brenna, S Khan, C Poots, R Brull

Chronic and interventional pain

- 751** Hidden risk of gadolinium-based contrast agents during interventional pain medicine procedures: a retrospective chart review
A Hallo-Carrasco, J Eldrige, D A Provenzano, A Gonzalez-Estrada, T Abdel-Latif, J Klasova, L Furtado-Pessoa-de-Mendonca, D Yan, C Hunt
- 757** Intrathecal cervical analgesia for cancer pain: a 12-year follow-up study in a comprehensive cancer center
D Dupouiron, F Bienfait, G Carvajal, V Seegers, T Douillard, S Jubier-Hamon, T Delorme, A Julienne, Y M Pluchon, N Ribault, E Nader, N Lebrech

Obstetric analgesia

- 764** Comparative dose-response study of intrathecal hyperbaric ropivacaine for cesarean delivery in preterm singleton versus twin pregnancies
M Zhu, J-J Liu, Y-P Shen, Z-B Pan, C-C Lv, W-D Chen, X Qian

Research report

- 770** Ultrasound-guided thoracic paravertebral block using a transverse in-plane approach at the level of the inferior articular process: a retrospective review of complications
M K Karmakar, J Pakpirom, R K Sivakumar, W Samy

Letters

- 774** Comments on: Incidence of persistent opioid use following traumatic injury
J Lee, A L Butt, A Pak

When you have finished with this please recycle it

- 774** Response to comments on: incidence of persistent opioid use following traumatic injury
M C Mauck, S A McLean
- 775** Does a single ultrasound-guided peripheral nerve block always require a full aseptic technique?
K Yoshida, K Kakinouchi
- 775** Does addition of plane blocks to multimodal analgesic strategy really improve postoperative pain control after endoscopic aortic valve replacement?
F-S Xue, N He, Y Cheng
- 776** Response to Fu-Shan Xue's letter to the editor
J Vandenbrande, H Jalil, I Callebaut, B Stessel
