Running Head:
A Short Descriptive Title
ABSTRACT

Text here, using Structured or Unstructured Abstract format as appropriate, as described in Instructions for Authors.
INTRODUCTION

Subheadings May Be Used

Text for the Introduction follows. Please use superscript numbers for cited references.\(^1\) Text for the Introduction follows. Please use superscript numbers for cited references.\(^2\)
METHODS

Text for this section follows. Subheadings may be used as shown below.

Subheadings May Be Used

More text for this section follows.
RESULTS

Text for this section.

Table 1

Tables should be in Word format and placed in the main text where the table is first cited. Tables must be cited in the main text in numerical order. Please note that tables embedded as Excel files within the manuscript are NOT accepted. Tables in Excel should be copied and pasted into the manuscript Word file. Tables should be self-explanatory and the data they contain must not be duplicated in the text or figures. Any tables submitted that are longer/larger than 2 pages will be published as online only supplementary material.

Subheadings May Be Used

More text for this section follows.
DISCUSSION

Text for this section.

Conclusions

A short paragraph is often used to conclude the Discussion Section.
Acknowledgements

Text for acknowledgements.
